1. I am giving you a new me, immediately, if not sooner -- sooner being sooner being, and I am one of no burden, no burden and that's that. Burdensome not is this one who comes now. I love you.

2. I am giving you help, a me of, this one is coming now to help you -- burdensome not, but lifting heavy burdens not, or do I make whole, now? The one that I am bringing now, and heal, of glory I am now made whole and loving you I am through me whom I bring now to be you completely so unburdensome'd. And unburdened administratively, "helpfully" lead, being me my helper I am. Adored of you I am and I love you all to be me. Thank you very much.

3. Unposted not, post me now, and forever hold your peace, not; those me love me more for all coming to me I am.

4. In love with you all I am me forevermore.

Amen
